Dear Supporters,

The Osprey Bass Anglers is preparing to host its 27th Annual Youth Fishing Tournament." The date is Saturday, June 16, 2018. We are asking that you support our efforts by being one of our sponsors. Last year, we had over 200 participants and we are expecting more this year. Our past fishing tournaments have been successful because of the partnerships we formed with various businesses and supporters.

Our purpose for this event is to establish a lasting tradition of Bass fishing for the youth and their families in their communities. The members of our club pride themselves in being strong positive role models who foster successful lifestyles for a better future. We aim to give our urban youth an opportunity to experience the joy of fishing. We believe that fishing can provide them with a positive attitude and build the confidence and that may prevent them from less favorable choices, such as gang violence or illegal drug use.

Before the event, we always stock the lake with fish to increase the likelihood of our youth being success at catching fish. The youth are extremely eager to receive their prizes and trophies for participation and wining their age group in the tournament. Because this event is in the summer and ends at 12pm, we provide refreshments and snacks. With your support, we can continue to have our tournament as an annual community event that our young people and families look forward to attending every year.

We hope that you are able to be a sponsor or provide donations for our fishing tournament. Your assistance would greatly help us to better serve our community. We thank you in advance for caring about our youth.

If you are interested in being a sponsor or giving donations, please contact our Youth Tournament Chairman, Oris Johnson at (817) 905-5265. Thanks again for helping our youth have a wonderful experience.

Sincerely,

Committee Chairman: Oris Johnson - 817-905-5265

President: Joe Cottrell at 817-707-3843

Secretary/Treasurer: Donail Williams - 817-480-7119
