- IV. Big Bass fee of \$5.00 per member shall be paid on the heaviest bass of the tournament.
- V. All places not paid will be held over to the next tournament.

q) Competitors

- 1) Competitors of Osprey Bass Anglers functions are expected to maintain the highest standards of Sportsmanship, Courtesy, Safety towards others and conservation. Maximum courtesy will be practiced at all times especially in and around others involved in our tournaments. Alcoholic beverages will not be allowed in boats. Each contestant will be responsible for bringing back trash to dispose of properly.

r) FISHING HOURS

- 1) Tournament Director shall set fishing hours at meeting prior to tournament. The Tournament Director may alter hours if conditions deem necessary. The tournament director can only change tournament end time on the day of tournament prior to the start time. Once the tournament has started the end time can't be changed. Tournament Director shall state the time to meet at the ramp.

- 2) Members must be in no wake or dock area by official stop time.

s) WEIGH IN

- 1) Weigh in shall be 15 minutes after official stop time.
- 2) Members must be in line no later than 15 minutes after start of weigh in
- 3) Members not in line 15 minutes after start of weigh in shall be disqualified.
- 4) Weigh Master and Tournament Director or their designee(s) are solely responsible for measuring and weighing the fish.

t) PROTESTS

- 1) Any protests must be registered within 15 minutes (verbally) of conclusion of weigh in to the Tournament Director.
- 2) Executive Committee members present who are not involved in the protest will arbitrate the protest.
- 3) All decisions are final.

- u) Anyone late for blastoff (start of tournament) is required to find at least two active members, in most cases in one boat who are fishing the tournament. Pay any fees and have boat and live well checked by those members. Habitual offenders will be punished as deemed necessary by Executive Committee.

22. Non-Boaters at each tournament shall pay a minimum fee.

- a) Agreed upon non-boater fee shall be paid prior to fishing the tournament. Failure to do so is grounds for disqualification.
 - b) A boater who wishes to deny a non-boater access to his boat must present his reasons to the executive board for validation.
23. Guests are allowed to fish one tournament, with the exception of the Classic Tournament. Guest has the option to pay an entry fee or fish the tournament for free by paying no fee.
24. Executive committee will rule on any unusual items and those not covered in club tournament rules.
25. All tournaments must consist of a 3 boats minimum. Any tournament that fails to reach the set minimum shall be rescheduled.
26. All tournament fees can be paid at the monthly meeting or shall be paid at the ramp.
27. Row call shall be held before and after every tournament.
28. If at the end of the year there is a point tie for angler of the year the winner will then be determine by using the heaviest total weight for the year.
29. Adults and minors allowed to fish in your boat non-competitively if you have an open boat with a signed consent form for each tournament fished.
30. Your main engine must be operational. If you declare your engine is not functional and it is repaired before the tournament you cannot use the engine at the tournament. In the event the engine is started you would be disqualified. You are only allowed the use of the trolling motor.
31. No transfer of fish from one boat to the other unless the broken down contestant can be brought in by another participant in the tourney. Contestants catch shall be held separate from the transporting boater at all times.
32. No culling dead fish.
33. After a boat has left the boat ramp and breaks down for 1 hour a non-boater has the right to call or text one of the executive board members and request to move to the next open boat in accordance with the open boat policy to finish the tournament.
34. Once the non-boater gets into another boat there will be no switching back to the original boat.
35. If the original boat left the boat dock the Non-boater will pay 50% of the fee to original boater and 50% to new boater for boat gas.
36. The boater also has the option to move to an open boat if his/her boat cannot continue

however the non-boaters get first option on open boats in accordance with the open boat policy

37. Qualifying mechanical failure is a breakdown of the big motor or trolling motor.
38. Boater and non-boater partners have the option if they agree and there is enough room to bring on a second non-boater fishing from the bank.
39. Big fish catch and release option for club members (boater/non boater) boating a fish of 8lbs or more and choosing to weigh and release it prior official weigh-in and still qualify it for the tournament being fished.
 - Members choosing this option must follow these following steps. This would apply to both angler (boater) and co-angler (non-boater) in same vessel:
 - The fish has to be at least 8lbs or more to qualify.
 - If angler and/or co-angler catches the fish, the same exact scale has to be used (to be determined by the club) and they can video tape by cell phone the weighing of fish as well as measurement to verify that it is legal per state of Texas law or whichever state the fish is caught in, especially if on a slot lake. The witness will be the co-angler if boater catches the fish and angler if the co-angler catches the fish.
 - If a boater is fishing alone, it is their responsibility to communicate with one of the executive member of the club and travel to their location for them to witness the weighing in of the fish.
 - Same weigh scale (Rapala) will be used by all members during the tournament.
 - In the event the fish expires prior to the above steps or doing those steps then it can be taken to the official weigh-in for weighing and penalties will apply for weighing a dead fish.

These rules are final for a period of one year.
