Dear Potential Donor/Sponsor,

The Osprey Bass Anglers Foundation is preparing to host our 33rd Annual Youth Fishing Festival. The date of this event is Saturday, June 15, 2024, at Greenbriar Community Center and Lake (5200 Hemphill St. FT. Worth, TX 76115). We are asking for your support and/or sponsorship for this event. This event is free to the community. We provide everything for free. We usually average over 350 youth and other family members that participate in this event from the Greenbriar community and abroad.

Our past events have been successful because of the partnerships we have formed over the years with the various businesses and individual sponsors. We want to build upon that success and form a partnership with you and the community of Greenbriar. The citizens of the Greenbriar community remember, appreciate, and reciprocates the support of our sponsors. We recognize our sponsors and encourage the participants of the Osprey Bass Anglers Youth Fishing Festival to do business with those who support us and make this event successful. We appreciate any level of support you can provide, financial, prizes, awards, merchandise, food, gift cards, volunteers, supplies, equipment, etc. Please indicate how you would like to support the Osprey Bass Anglers Foundation Youth Fishing Festival on the donor/sponsor form enclosed. **All donations are needed by June 14, 2024 unless they are food items.** You can contact LaTina Harris to schedule a time to pick up the donation or mail the donation to the address below.

### 33rd Annual Youth Fishing Festival Event Letter

Dear Donor/Sponsor,

The Osprey Bass Anglers Foundation is preparing to host our 33rd Annual Youth Fishing Festival. The date of this event is Saturday, June 15, 2024, at Greenbriar Community Center and Lake (5200 Hemphill St. FT. Worth, TX 76115). We are asking for your support and/or sponsorship for this event. We usually average over 350 youth and other family members that participate in this event. Our past events have been successful because of the partnerships we have formed over the years with the various businesses and individual supporters.

Our mission, vision and purpose for this event is to establish a lasting tradition of fishing for the youth and their families. Fishing promotes togetherness for friends and families, and that is why we host this event the day before Father's Day every year. The members of our club pride themselves in being strong positive role models who foster successful lifestyles and hope to influence a better future for our young peoples. We believe that fishing can provide them with a positive experience, attitude and build the hope of making better life choices rather than less favorable ones. Our foundation also promotes higher education, good character, active community service, strong family heads and good neighborhoods.

We always stock the lake with fish prior to the event to increase the likelihood of the young people being successful at catching fish. We provide prizes and trophies for the winning age groups in the tournament. This event happens in the middle of the summer, so we provide refreshments and snacks free to the families. As a matter of fact, everything for this event is provided free to the families. Your support is essential for us to continue to have our annual event in this community and for these families.

We also welcome volunteers for helping with our morning registration, passing out water, helping with passing out food and drinks, and picking up trash/helping with clean-up.

We do appreciate your consideration in supporting our foundation's vision for this event. We thank you in advance for caring about the future of the young people and families in this community. If you are interested in being a sponsor or giving a donation, please contact LaTina Harris, Executive Secretary, at 256-483-8725 or [Lharris010309@yahoo.com](mailto:Lharris010309@yahoo.com).

Sincerely,
